== About the Illustrator ==

Nicole Narváez is a visual artist from Brooklyn, New York, and a senior art director at a Manhattan advertising agency. Nicole has spent her whole life perfecting her fine art skills and most enjoys creating oil painting portraits of women. Recently, she has begun to explore new mediums as she seeks to use her artwork to celebrate female icons fighting for women's equality past and present. This has led to her current project, a series of detailed digital illustrations highlighting these iconic women, which has been featured in multiple NYC galleries. To check out Nicole's less poop-related work, visit nicolenarvaez.com.
